FYI – this attorney files 60-day notices routinely under both the SDWA and CWA . . . I'm not aware of any SDWA lawsuits that he has actually filed.

FYI – Roberto's team is following up – many of us were unaware there even was a citizen's suit notice under SDWA!

KJ, FYI.

Note that Jared was copied directly on the incoming.

Roberto, plz do keep me/us informed about anything you might learn about this case.
First and foremost, any confirmation of your impression that this System had NOT been showing up on our ETT list...since 2008 as alleged in the Suit ????
And IF that is true, why not?

Thanks!

This is interesting. I don't think I've ever seen one of these suits for DW?

Hi Corrine and Roberto,

We recently received notice of a SDWA citizen suit that may be of interest to you with regard to your interactions with the State of California. I have attached the notice from California River Watch regarding its intent to sue the Valley State Prison (Chowchilla, CA) and the California Dep't of Corrections and Rehabilitation for alleged exceedances of arsenic and coliform MCLs in the Prison's community water system.

Thanks,
